

docker

Prague Meetup
23.05.17

Agenda:

1. Our Sponsor
2. Docker's interesting news
3. “App service on Linux” by Jan Hájek
4. Pub

Our sponsor today:

Microsoft

Docker CE and Docker EE

*The company has renamed the Docker Commercially Supported (CS) edition to the **Docker Enterprise Edition (EE)**. It's also changing the name of Docker Engine to **Docker Community Edition (CE)**.*

- **Docker EE:** Basic, Standard and Advanced editions
- **Docker CE:** do-it-yourself community edition

“The Moby Project is to Docker what Fedora is to Red Hat Enterprise Linux” -
Solomon Hykes, Docker CTO/Founder

LinuxKit

“LinuxKit, a toolkit for building custom minimal, immutable Linux distributions”

THANK YOU
